Outreach

In 2022, there were 44 outreach activities, up from 17 in 2021. This totaled over 900 attendees, an increase from 283 the prior year. Outreach activities included meetings and educational presentations at medical centers and clinics, hospices, senior centers, support group organizations, assisted living centers, colleges, and partner organizations (e.g., ALS Association).

Fundraising

EOLCOR received \$211,812.97 in donations in 2022. Of total contributions, \$123,621.29 resulted from the annual fundraiser and \$31,784.52 were from an end-of-year email appeal. The remainder came from individual contributions throughout the year, including monthly subscription, in-memoriam, and in-honorarium donations.
